

NEWSLETTER JULY-DEC 2025

About Us

For over 125 years, CTTC has been a beacon of excellence in technical education, equipping students with practical skills and fostering their personal and professional development. We are particularly proud of our efforts to support deserving students, enabling them to pursue their dreams and transform their futures. CTTC have produced creative world class Technicians and Associate Engineers who are serving not only at the national level but also at the international level.

Mission Statement

“Whatever you do, work heartily as for the Lord and not for Men” (Colossians 3:23)

Vision Statement

Personality development of students through quality education in technical, healthcare and computer science fields to ensure their success in the competitive world.

Objectives

- To Empower Children and Youth through Technical and Computer Education.
- To produce job ready graduates.
- To focus on hands-on training.
- To uplift students of our community especially from rural areas.

CTTC 125th ANNIVERSARY

CTTC & SCD A Milestone Celebration

On November 1, 2025, CTTC and SCD celebrated a historic joint anniversary, marking 125 years of CTTC and 50 years of SCD. The event featured inspiring reflections from alumni and staff, honoring a long legacy of excellence in education and community service. We extend our deepest gratitude to all who joined us for this momentous occasion.

Dream, Design and Drive

For the first time in CTC's history, students from the Auto Department designed and fabricated a fully functional vehicle powered by a 4-Stroke Petrol engine. Completed in just six months, this milestone is a testament to CTC's commitment to innovation and hands-on technical mastery. We extend a special appreciation to the Principal and project supervisors for their expert guidance in bringing this ambitious project to life.

VISIT OF FOREIGNERS

OFFICIAL VISITS

PSDA Inspection

On **October 4, 2025**, the Pakistan Skills Development Authority (PSDA) conducted a comprehensive inspection of CTTC's departments and facilities. The PSDA team highly commended the staff's professionalism and praised the management for upholding exceptional technical and educational standards.
